

Relish Running Races

Cheddar Gorge - Sunday 13th June 2021

Registration/Number Collection opens from 09:00am. We suggest arriving 45-60mins before your start time.

For Cheddar 2021 only, we are dropping the wave selected at registration system and instead going solely on predicted finish time. Finish time is what you think it is on race day, you don't need to go by what you entered on your registration form. The predicted finish time does in no way need to be precise, it is just a way of organising the waves. We would suggest adding 20% on to what your normal expected finish time would be to account for the hilly course. Don't worry if you don't start in a wave based on your time, we will have to cap each wave every 30-40 runners approx. The wave you start in will not impact your finish time.

On the Day Registrations are welcome to join any wave based on their predicted finish time.
