All your details have now been sent to our database, and the place in your chosen Wave has been put aside. The form will show as unpaid so we then manually need to confirm each booking and mark it as Paid. We aim to do this within 3 working days, but it is manual and a bit fiddly so please bear with us 😊

- 5) When we have confirmed the booking we will trigger a confirmation email. Please save tom@relishrunningraces.com in your email address book so the confirmation email will land in your main inbox.
