## Dyrham Park 10km

This ticket permits 1 spectator of the Dyrham Park 10km access to the garden and park (normal admission £5.20)

This year Dyrham Park is trying to raise £500,000 towards a £3.54m

project to repair the roof and install a new boiler and conservation heating. A donation towards the roof project would be extremely gratefully received - thank you!

Runners enter for free with their race number. Entry to the House will be charged at the normal admission rate, please pay at visitor reception or the shop.
