

Relish Running Races

Two Tunnels Races - 2nd May 2021

Final Schedule

Shuttle Bus

Buses run between 08:00 - 15:00 (last bus leaves the park returning to the Park & Ride) only. There will be a slight reduction in the number of services running during the middle part of the day. 1 bus every 15mins approx.

Race Briefing

There is no race briefing ahead of each wave, rather small elements will be mentioned every time a group of runners set off, so your race briefing will be delivered in bite size chunks. This ensures there are no gatherings before the race.

Number Collection

Self serve with numbers laid out on desks under paper weights. Please take your number, leave the paperweight and collect your safety pins from the end of the tent.
