#### Notes

Event Waves refers to the order the individual race waves will set off.

Please allow 15mins to park up and walk over to Registration. We suggest allowing 60mins to collect your number, go to the loo etc and maybe grab a coffee to start your day. The Race briefing takes place at the start line, with a briefing before each wave.

There are likely multiple waves with the same colour race number, please pay close attention to the number range too on the final schedule. Arrival times are suggestions. Number collection will remain open for each wave right up to the start of each wave.

You can collect your number from the desks which respond to the Event Wave, not your race wave. For example, 10km wave 3 runners are in Event Wave 10, so will collect their numbers from desk 10, not desk 3.

## Prizes

There is no on the day prize giving because of the multi wave, multi start time format of the events. Prize winners will be contacted by the end of race week.

The final number of prizes awarded is determined by the number of finishers for each gender in a given race distance. If there are more than 100 finishers then the full range of awards are made (top 3 along with first in each age group). If there are between 50-100 finishers then the top 3 finishers overall will be awarded a prize. If there are less than 50 then only the winner will be awarded a prize.

| Finishers in each Gender | 1-49 Finishers        | 50-99 Finishers | 100+ Finishers                      |
|--------------------------|-----------------------|-----------------|-------------------------------------|
| Prizes                   | 1 <sup>st</sup> Place | Top 3           | Top 3, 1 <sup>st</sup> in age group |

We do not have any winner's prizes for the 1 Mile event as we would like to keep this participation focused.
