### Notes

OTD? = On the Day places? The race is SOLD OUT aside from the Colourburst race.

Please allow 15mins to park up and walk over to Registration. We suggest allowing at least 50-60mins to collect your number, go to the loo etc and maybe grab a coffee to start your day. The Race briefing takes place at the start line, with a briefing before each wave.

Please note it will not be possible to swap waves within a distance as our timing computers are pre programmed with all runners in the above waves, with the above gaps between runners. If you start in the incorrect wave you will be disqualified.

It will be possible to swap to a different distance by going to the Event Info desk on race day.

Results will be posted online by 18:00. There are no winner's prizes for the Colourburst. Prize winners for the other races will be contacted by email by the end of the week.
